

Haverhill Pool

Champion of Champions Qualification

This document aims to clarify the system by which teams and individuals can be selected for entry into the current year's Champion of Champions event as organized by the EPA with the national finals usually in November at Great Yarmouth.

The event is open to the winners and runners up of all affiliated EPA leagues in England in the following three categories:

- Men's singles
- Ladies Singles
- Team

The deadline for entry each year is 30th June and entry is online [here](#). The EPA rules for the event can be found [here](#).

Teams from the Haverhill Pool League will qualify only in the same year that the national finals take place. There will be no situation where a team qualifies based on their performance in the previous calendar year.

For each event considered, the qualifying date will be the last fixture of said event during the current year's Champion of Champions event.

If for any reason a cup final or league decider is to be played after the 30th June, then both of the finalists can be entered into the Champion of Champions before the closing date if they wish to be considered.
